## **Event Cancellation**

Tour of Champions reserves the right to cancel or postpone any event due to a natural or manmade disaster, or if the price of diesel rises above \$5.00/gallon. Cancelled shows will be refunded. If an event is postponed, we will reschedule it for a later date.

## **Re-Runs**

Re-runs will be granted if the official timer and back-up timer fails, unless a barrel has been knocked over resulting in a NO TIME. A re-run will also be granted if the barrels are not placed on the correct markers. No reruns will be granted for tack malfunctions.

## **Photos & Videos**

All participants (all those on grounds) may be photographed and videoed for promotional purposes.

## **Series Points & Awards**

Foul language, misconduct or abusive comments spoken to any contestant, spectator, staff, members or arena personnel will result in immediate disqualification and you will be asked to leave the show. No refunds will be given.

### **Error Reporting**

Any and all errors regarding entries MUST be reported in person to the office staff BEFORE the completion of the class in question. Absolutely no changes will be made once checks have been issued. Open Average entries are accepted up until you run on Saturday, and must be verified on Sunday morning and issues reported before Sunday Open ends. ### **EquiStat Reporting**

We will be reporting all results to EquiStat. As such, contestants must provide registered names (if available) for horses when entering. Grade/unregistered horses must have the real name listed and may not be given a generic name. This helps to prevent position/ground manipulation as well.

### **Rule Changes**

Tour of Champions reserves the right to add or modify any existing rules. Such changes, if made, will be announced on our website and our Facebook page, as well as posted along with draws for maximum coverage.

### **All Other Instances**

Where there is no rule defined here to cover a particular circumstance, NBHA rules will be followed.

### **Payout**

All payouts will consist of a 70/30 split plus 100% of advertised added money. If more places pay for a particular division than there are riders placed, remaining money for that division will be split equally between riders placed.
